ABOUT THE STATE 4-H DOG SHOW

This show is **organized and run by volunteers** who make every effort to make it an enjoyable experience for all attendees. Due to the growing number of entries we've received each year, we are forced to run this show over a two-day period using multiple rings for showmanship and obedience. If we did not do this, the show would not fit within the time constraints of a weekend. This makes for a hectic show schedule, but allows us not to have to limit entries.

Parents and 4-H Leaders can help us in several ways. Please make sure that all exhibitors are aware of all of the requirements for the classes in which they enter. Read the rules and class descriptions provided in this show booklet and address any questions for clarification to Lucia Pink at lbpink2@yahoo.com or (863) 660-5969. If this is your

child's first show experience, ask his or her 4-H leader or trainer what to expect at a show, what to bring and how best to prepare. Consider volunteering to help at the show. We can always use more help inside and outside of the show ring. **Please see website for the Volunteer Information Form if you can assist us.**

GENERAL DISPUTES POLICY

With respect to any disputes which may occur with respect to an exhibitor at the show, such disputes shall be handled by the appropriate Livestock Committee (the “Committee”) in accordance with the following:

1. An exhibitor may file a protest with respect to another exhibitor for violation of the rules and regulations of the Committee and/or the International Association of Fairs and Expositions (IAFE) National Code of Show Ring Ethics by submitting a written protest (a “Protest”) on a form (the “Protest Form”) which will be available at the Agribusiness Department. The Protest must include the exact basis, cause and description of the dispute, the name of the protesting exhibitor, the name of the exhibitor being protested, and any materials in support of the Protest as well as any other matters which may be required in the Protest Form, and shall be accompanied by payment of \$50 which shall be refunded only if the Protest is sustained by the Committee. The Protest Form must be signed by the exhibitor (as the protesting exhibitor), and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent, unless the parent or guardian is not available under circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. **Failure to properly sign the Protest Form shall deem the Protest Form incomplete and a nullity, and in such event, the Protest will not be considered.** Any Protest must be submitted (and received by the Agribusiness Department) at least two (2) hours prior to the time that the show is scheduled to occur in order to be considered prior to the show. If a Protest is submitted less than two (2) hours prior to the time that the show is scheduled to occur (“a “Late Submittal”), then the Committee will handle the

Protest after the show in accordance with its rules and regulations and the IAFE National Code of Show Ring Ethics, but the Late Submittal shall not affect the award of ribbons for the show. In order to minimize disruption to the show, an exhibitor who intends to file a Protest should do so at the earliest feasible time. In any event, a Protest must be filed with the Agribusiness Department prior to the scheduled release hour for the protested exhibitor's animal in order to be considered.

2. The Agribusiness Department will forward any Protest Form which is duly signed (by an exhibitor as the protesting exhibitor, and if the exhibitor is a minor, the Protest Form must also be signed by the exhibitor's guardian or parent), and any accompanying materials submitted by the protesting exhibitor in support of the Protest to the Committee for its consideration. The Agribusiness Department will also notify the exhibitor being protested of the Protest as soon as reasonably practicable after the Protest has been duly submitted, and make available a copy of the written Protest to the exhibitor being protested. The exhibitor being protested may, but shall not be required to, provide a written response to the Protest (a "Response") by submitting a Response to the Agribusiness Department, including any materials in support of the response to the Protest, and the Agribusiness Department shall provide the Response to Committee. A Response shall be on a form obtained from the Agribusiness Department, and must be signed by the protested exhibitor, and if the protested exhibitor is a minor, the Response must also be signed by the protested exhibitor's guardian or parent, unless the parent or guardian is not available due to circumstances that warrant, as determined by the Agribusiness Department in its sole discretion. The Agribusiness Department shall make available a copy of the Response to the protesting exhibitor upon request by the protesting exhibitor, but it shall be the protesting exhibitor's responsibility to monitor the Protest and to obtain a copy of the Response. The Agribusiness Department will attempt to notify the protesting exhibitor and the exhibitor being protested of the time of the Committee's review and consideration of the Protest by calling their respective cell phone numbers if provided on the Protest Form and/or the Response Form, but it shall be the protesting exhibitor and protested exhibitor's responsibility to monitor the Protest and obtain the time of the Committee's review and consideration of the Protest and to be available at the time scheduled for the Committee's consideration of the Protest. For any Late Submittal, the Committee will handle the process for review of the Protest after the show.

3. The Committee members present will review the Protest and the Response, if any, in the context of its rules and regulations and the IAFE National Code of Show Ring Ethics, and will make a decision to resolve the Protest by a majority of the Committee members present. In the event of a tie vote, the Protest shall be deemed denied by the Committee. The decision of the Committee will be final.

4. The Committee also may apply and enforce its rules and regulations and the IAFE National Code of Show Ring Ethics, with respect to exhibitors at the show.

5. By entering the show, all exhibitors, and their respective parents and/or guardians, shall be deemed to have acknowledged and accepted this General Disputes Policy.

SHOWMANSHIP LEADS

Selecting the proper lead for your breed of dog often requires research. Selecting the proper lead for your breed of dog often requires research. If you are able to attend an AKC Conformation Show, watch your dog's breed being shown in the ring. Note the style of collar generally used on your breed. Talking to a handler about your breed's collar and lead may be helpful. Often you can purchase a collar and lead appropriate for your dog from a vendor at the show site.

If going to a show is not possible, try looking at the Pet Edge Company website: <http://www.petedge.com/>. You should click on 'Training And Control' in the upper left corner, then look near the middle at the bottom of the page for 'Dog Show Products' and click on 'Show Leads and Collars' and that will bring you to: http://www.petedge.com/catalog/thumbnail.jsp?N=2496&Nr=CATALOG_ID:51&Ns=PRODUCT_DAYS_AGO:0|PRODUCT_SEQUENCE_NO:0&parentCategoryId=196&categoryId=234&subCategoryId=455 this will bring up several styles of collars and leads. Some collars like the snake chain (requires you knowing **the size collar** your dog needs), and you will need to buy a separate lead (like the nylon snap leads). The 'martingale' or 'loop lead' includes the collar and lead combined. It is still important to **get good advice** on the best type of collar and lead- **for your dog**.

ATTIRE

SHOWMANSHIP ATTIRE

In dressing for showmanship, you should take extra care to present yourself to the best of your ability. Your appearance is important to the impression you make in the ring. Be neat, attractive, comfortable and pleasant to watch. Caps or hats are not allowed.

Rubber soled boots or shoes with **closed toe and heel** are best. High heels or open toed shoes are not allowed for safety reasons. Make sure you can run quietly and easily in the shoes you choose. Tennis or other canvas/leather shoes *if neat and clean* are acceptable when not out of place with the rest of your attire. Since you are dressing for the "show ring", being trendy is not necessary. Emphasis should be placed on being clean and neat, (no dog hair on your clothing!) *Remember, judges have individual opinions that may vary, but staying close to the standards is recommended.*

FOR GIRLS: Dresses, skirts, culottes/skorts of modest length and jackets with sleeves are recommended, attractive pant suits are acceptable. Business type suits are a good example to follow. Short skirts are discouraged as well as long "flowing" skirts that may detract from your dog's movement. Care should be taken to secure hair away from face, and excessive jewelry or accessories are not recommended.

FOR BOYS: Collared dress shirts and dress pants are appropriate, a tie and/or jacket are encouraged. Preferred dress is "business like".

OBEDIENCE, AGILITY AND RALLY ATTIRE

Casual attire is acceptable, jeans, t-shirts (4-H Green Club Shirt or Fair Shirt) and tennis shoes are fine. You should always be neat and clean when presenting your dog in the show ring.

CLASSES

SHOWMANSHIP

Handlers are judged on teamwork and presentation of their dog - grooming - posing - gaiting. Appropriate showmanship attire and show lead required. Please Note: Showmanship placement will go toward "Achievement Points Only", No Premiums will be paid.

Basic - For beginning handler and beginning dog in their first year of showing. All participants, whether they place or do not placed must move to Novice class during their second year of showing.

Novice - Experienced handler with beginning dog or beginning handler with experienced dog. Handlers who have shown for one or more years. Any exhibitor who has won this class at a State Level Show must move up to the Advanced Showmanship class.

Advanced - Handlers who have competed in Showmanship at 3 or more AKC Dog Shows and placed (with competition), or have won first place in a Novice level class at a previous State Dog Show.

Excellent - Handlers who have placed first (with competition) in Junior Showmanship at three (3) or more AKC (UKC, CKC, or other venue) Dog Shows, or Handlers who have placed first in 4-H Advanced Showmanship at 2 State level Dog Shows (with competition).

RALLY BASIC, NOVICE, ADVANCED & EXCELLENT:

Florida 4-H rally rules are based on AKC Rally Rules, as updated January 2009. These rules, as well as the complete list of signs and performance requirements can be found at

http://www.akc.org/pdfs/about/board_minutes/Rally_Regulations.pdf. Please read these rules paying special attention to the principal parts of each exercise. The following modifications will be used when judging rally at 4-H events.

At the show committee's discretion Novice, Advanced and Excellent may be divided into A and B divisions. There are no A and B divisions for Basic. If A and B are offered the A division is for dogs with no qualifying scores in Rally or Obedience from any non-4-H venue. The B division is for dogs who have earned qualifying scores in Obedience from any non 4-H division or have earned qualifying Rally scores in the class they are entering in any non 4-H venue.

Dogs who have earned Rally titles in other venues shall enter the same class level they compete in those venues. For example a dog who has earned qualifying scores in either the RN (AKC) or URO1 (UKC) class must compete in Novice, regardless of the handlers experience. Once the dog earns the RN or URO1 title they must move to the Advanced class.

4-H members who do not compete in other venues are encouraged to compete at the highest level they are safely able to.

BASIC

Basic is for first year handlers with beginner dogs. If the dog has earned any qualifying scores in Rally or Obedience from any venue they are not eligible to compete in Basic, regardless of the handler's level of experience. Basic Rally will compete on the same course and with the same requirements as Novice, *except that Basic Handlers may move one foot to finish their dog without receiving a penalty.*

NOVICE

Novice is for 2nd year or greater handlers or dogs with qualifying scores in Rally or Obedience from any non-4-H venue.

All exercises are judged on leash, and all dogs must enter and leave the ring on leash. The leash must be made of fabric or leather and must be long enough to provide adequate slack. Rally Novice must have between 10 to 15 stations (Start and Finish not included) with a minimum of three and a maximum of five stationary exercises per class. Signs 1 – 31 from the AKC Rally Regulations may be used.

ADVANCED

Advanced is for handlers ready to perform off lead. Dogs who have earned a novice level rally title in another venue must compete in Advanced.

All exercises are judged off leash and all dogs must enter and leave the ring on leash. Rally Advanced must have between 12 to 17 stations (Start and Finish not included) with a minimum of three and a maximum of seven stationary exercises. Courses shall have a minimum of three Advanced level stations plus one required jump per class. Allowed jumps are the high jump, bar jump and broad jump. Signs 1 – 45 from the AKC Rally Regulations may be used.

JUMP HEIGHTS

The dog's jump height shall be given on the entry form. Entries will be arranged according to the jump height of the dogs, from either high to low or low to high. The judge may allow handlers to run out of order to allow for conflicts at their discretion.

Height of dog at withers

<u>Height of dog at withers</u>	<u>Height to be jumped</u>
Less than 10 inches	4 inches
10 inches to less than 15 inches	8 inches
15 inches to less than 20 inches	12 inches
20 inches and over	16 inches

Broad jump is to be set at twice the height the dog jumps.

EXCELLENT

Excellent is for dog and handler teams ready to perform off lead at a more advanced level. Dogs who have earned a qualifying score at the Excellent, or similar level, from any organization must enter this class.

All exercises are judged off leash except the Honor

exercise. Handlers must provide a 6-foot leash when participating in the Honor exercise. All dogs must enter and leave the ring on leash. Rally Excellent must have between 15 to 20 stations (Start and Finish not included) with a minimum of three and a maximum of seven stationary exercises. Courses shall have a minimum of three Advanced level stations and a minimum of two Excellent level stations, plus the two required jumps and the Honor exercise per class.

Unlike in the Rally Novice and Advanced classes, in Rally Excellent, handlers are not allowed to pat their legs or clap their hands to encourage the dog. Verbal encouragement, multiple commands and/or inaudible signals using one or both arms and hands are allowed; the handler's arms need not be maintained in any particular position at any time. Handlers may not touch their dog or make any physical corrections.

HONOR EXERCISE

Prior to each class, the judge will designate either the sit or the down for the Honor exercise, the placement of the exercise within the ring, and when the Honor is to be performed by each dog. The Honor exercise must not be in the path of the course. After having been directed by the judge or Honor steward to the Honor exercise station, the Honor handler will command and/or signal the Honor dog to take the designated position. When the judge commands the next handler to begin the course with the order "Forward," the Honor handler will command and/or signal their dog to "Stay," move forward to the end of a 6 foot leash, then turn and face their dog. The Honor steward will indicate the completion of the scoring of the Honor exercise when the running dog and handler have crossed the finish station by giving the order "Exercise finished." The Honor handler will then return to and release their dog from the stay. The Honor dog must maintain the designated position throughout the entire performance of the running dog and handler without receiving physical assistance from the Honor handler. There will be no retry allowed for the Honor exercise. If the course run is interrupted at any time for any reason, the judge will direct the Honor steward to give the "Exercise finished" order. The Honor exercise will be considered complete, but the dog will remain in the ring without being scored for the next running dog. This will eliminate the need for a volunteer dog for the next running dog. The Honor steward will monitor the performance of each Honor dog. The judge will determine the score to be entered into the judge's book based upon the description of the performance from the Honor steward. The Honor exercise is not to be considered one of the stationary exercises on the course.

GENERAL SCORING

Times will be recorded but not posted. Times will be used only to break ties for placements. The maximum number of points that can be deducted for any station is 10. The following deductions shall apply:

1-point deduction for each of the following:

- Tight leash
- Dog interfering with handler
- Poor sits
- Slow, delay, or resistance to respond

1 to 10-point deduction:

- Lack of teamwork
- Lack of briskness
- Handler error**

Non-qualifying (NQ) scores shall be given for:

- Dog unmanageable
- Dog that eliminates while in the ring for judging

***Incorrectly Performed (IP) stations** occur when a team attempts a station and fails to perform the principal parts of the station on the first attempt. The handler may choose to retry the station once, for a correct performance, accepting the mandatory 3-point deduction for the retry of the station. The station is considered an IP if the handler chooses not to retry or fails to perform the station correctly on the second attempt.

****Handler errors** can be assessed from 1 to 10 points. Handler errors can be assessed at any station or during movement between stations on a course. Once a handler has stopped on any halt exercise, the handler cannot move their feet to assist a dog without incurring a handler error.

Ribbons and Prizes are awarded at the discretion of the host club and in accordance with 4-H rules and guidelines.

OBEDIENCE

Obedience will be judged according to AKC rules as modified by 4-H. Acceptable collars include metal & nylon training, buckle flat collar and martingale style. NO TAGS OR ATTACHMENTS ARE ALLOWED.
